ABOUT

Vamp Acid performs at the nexus of Acid Techno and Darkwave, where she remains one of the minorities in her genre. Her debut album *Psychogenic Love*, fuses smoky vocals over retro beats, hypnotic acid synths and a post-punk energy. Berlin avant-garde label Machine Jazz, defines her style as “Dark Rave”. At Colombian underground rave Bogotrax— Breakcore and Techno DJs inspired her to learn the ropes of music production with EBM Pioneer, Nitzer Ebb. Her passion for music communities has led her to produce Dark Electro nights Goldcell LA and Dreikantholz Berlin. She’s Guest DJ’d with Leipzig EBM Collective, Unterschall and Synthpop Promoter, LA Dead. Her work has been featured at Documenta Fifteen, RTVE Spain, Female:Pressure and Mind the Music on Reform Radio UK.
